

Frontiers in Particle Physics, Astrophysics and Cosmology

Fronteiras na Física de Partículas, Astrofísica e Cosmologia

IDPASC

14h30 - Welcome

14h45 - "Past, Present and Future of the Universe"

Prof. Joseph Silk

Savilian Professor of Astronomy, University of Oxford

15h30 - Coffee break

16h00 - "Searching for Accelerators in the Cosmos"

Prof. Alan Watson

Spokesman Emeritus of the Pierre Auger Observatory

16h45 - "The LHC and the Early Universe"

Prof. Rolf-Dieter Heuer

Director General of CERN

17h30 - Discussion

18h00 - End of session

IST

Centro de Congressos

13-05-2010 14h30
